Time Trials:

2006 Club Series - *John Warburton*

We held 8 events, with one being cancelled due to bad weather. 203 entries gained £101.50 for the Club with the same amount being paid to the CTT in levies. Thank you to all members who helped with marshalling, timekeeping, course measuring etc during the season - things would be impossible without you.

Winner of the Points Competition and holder of the *Toute le Monde Trophy* for 2007 is Clive Thomas. The full Points List is on the web-site.

The Club thanks Excel Dry Cleaners for their £50.00 prize and continued sponsorship of the Series.

An application form for the 2007 Club Events has been received from CTT London West District and JW (supported by DM) will liaise with the other Oxford clubs in preparation of the 2007 event application.

Affiliation fees have been sent to the CTT London West District and PR will also send off our fees to the West London Cycling Association in due course.

The CTT London West District is holding a Special General Meeting at Knowl Hill Village Hall on Sunday 26th November to decide delegate voting at the National Council AGM.

Road Racing/Track - *Pete Ryder*

Six members took out racing licences, with Dave Chittenden gaining 3rd Category. PR has sent off affiliation fees for 2007 to British Cycling.

Cyclo Cross - *Pete Ryder*

We were unable to obtain confirmation from the owner of the Bletchingdon site that it would be available, so we were unable to organise an event.

We now gather that Geoff Booker, Oxonian, is trying to find a new course, and should he be successful, the Club would certainly look at putting on an event in Autumn 2007.

The Avery family are still the main flag carriers for the Club on the Cross front - with Holly, Angela and Rio each currently leading their respective age groups in the Wessex League - well done.

A O B: Kit - A flyer was received from TAL, a kit manufacturer, and JW was asked to investigate them and compare to our current supplier - Impsport.

For those of you applying for a BC competition licence in 2007, the description of our jersey is just: Red & Yellow.

2007 Tour - In order to gauge the level of interest for a 7 - 10 day trip in early September 2007 (possibly to an area in the Pyrenees), would anyone interested in participating please let Pete have an indication by early Jan.

Brian Mathews - As a result of an accident whilst out riding with other members of Oxonian, Brian unfortunately had to spend several days in hospital. We gather he is now home and on the road to recovery and we send him our best wishes. JW has sent a card on behalf of the Club.

Web-site - The domain name - *midoxon.com* - has been re-registered for 2007.

If you have any items for the site (profile updates, items for sale, readers bike pics etc), please send to: david@midoxon.co.uk The club is grateful for the time and effort Dave Miller devotes to keeping the site up-to-date and interesting. It is for your benefit, so if you have news or reports of your cycling exploits, please do let him have the details and pictures if possible. Why not also look at your Profile and update it, or if you are currently one of the anonymous members - create one!!

Finally, an item that was overlooked at the meeting

Donn Welton - One of our honorary members, recently underwent a prostate operation. We are waiting for news of his recovery, but in the meanwhile are sure he would appreciate an e-mail message (blueowl@optonline.net) from any fellow club members.
