The 2008 programme has now been finalised and is ready to be uploaded to the Mid-Oxon website. All relevant information has been supplied to Dave Miller for upload.

The Mid-Oxon involvement for 2008 is a total of 11 events, 3 of which fall on a Saturday. Any help with all of these events (timekeeping, marshalling etc..) would be most appreciated. Please contact JW.

The 2007 Mid-Oxon points' winner, Clive Thomas, has been presented with his trophy and prize money.

Road Racing/Track:

British Cycling annual subscription has been paid. Several members have applied for and received their licenses.

Usual rule applies to Reading Track affiliation. Whoever goes there first please pay and you will be reimbursed.

AOB:

Club Kit:

John Warburton is the kit manager and is the man to contact for club kit. He holds a few items in stock. What he hasn't got he can get - at a price!

Mid-Oxon On Tour:

The proposed 2008 Tour is to the Pyrenees with a base in Lourdes. From here participants will be able to attempt the ascents of many of the Tour favourites.

The proposed date for the trip is Thursday 4th until Thursday 11th September, flying from Gatwick to Toulouse and staying in the Hotel Ibis in Lourdes.

The estimated cost of the trip is between £500 and £700. A spreadsheet, detailing the cost breakdown, was given to those present by Ian Tedeschi and is available via Ted for those that might be interested.

To secure a place on the trip a non-refundable deposit of £250.00 should be sent via cheque or electronic transfer to Ian Tedeschi by the **END OF FEBRUARY**.

For those of you that have never ridden a major climb (one that takes a couple of hours to get up) this is a chance not to be missed.

Summer Club Runs

Interest was shown in starting certain summer club runs (the more challenging ones) a little earlier in the morning, say 8.00 am.

When the time comes for summer runs compilation, mid-March 08, (Please e-mail your chosen venues to Colin C) could those of you that submit a preferred route asterisk it if you think an earlier start time is required.
