A proposal has been made for us to hold a Cyclo-cross event during the 2005-2006 season. Steve has been asked to obtain details of what is involved, costs etc., before we finally make any commitment from the Club.

**A O B:** **Etape du Tour** - All forms, doctor certificates and monies have been sent off and the 10 Club members taking part await details of the Itinerary. In the meanwhile various events have been lined up as training for the Etape - Ian Tedeschi has organised an entry (now closed) in the Red Dragon Ride - 19 June, South Wales and closer to home May/June will see the running of the BHF and the Antony Nolan Rides around Oxfordshire - always popular with the Mid-Oxon!!!!

**Didcot Phoenix** have invited the Club to take part in their Roller Evening on Thursday 17 February. Details from CC.

**Note for 2006** - How about another cycling trip abroad. This time to the east coast of Italy.

You've more than likely seen the adverts in Cycling Weekly and other mags.

It will probably be in May time? Please let PR know, even if you are only vaguely interested at this time.

**Kit** - As spring is just around the corner - you may need some new Club kit, please contact JW with your enquiry as the larger the order to Impsport - the better the price. JW is also exploring the availability of Yellow and Red Armwarmers - more details to follow.

**NEW** to the list of Mid-Oxon goodies are these bottles (*see right*).

Red body with white lettering and yellow screw top.

A bargain at only £3.00 each - orders and cash to JW please.

... and don't forget, we still have a few Race Caps at £4.00 ea.
