# Meeting Notes

Date: Monday 6 March 2006

Venue: Bricklayers Arms, Old Marston, Oxford

Members present: M Brown; I Watson;

D Chittenden; C Thomas; A Johnson;

S Avery; D Ricketts; D Miller;

C Currill.

Apologies: J Warburton; I Tedeschi; P Ryder.

## Time Trials:

2006 Club Series - *John Warburton*

First event in our Series is on 29 March on the new Eynsham course - details on web-site. To ensure no one turns short, one marshal will be needed on the first Eynsham roundabout, with signs covering all other junctions. DM to contact Chris Hart - LWDC, regarding marking of start and finish lines. Points for the Series Competition will be on show at the start of each of our events.

## Road Racing/Track - *Pete Ryder*

Winter training will soon be put to good effect with riders entered for road races:

Thames Velo, Great Milton - 2 April and Reading CC, Woodcote - 23 April, with more entries to events that follow.

## Cyclo Cross - *Pete Ryder*

We are still awaiting advice from John Vallis, Oxonian on dates for the 2006/7 Wessex League programme. The date of our event should be confirmed during April.

Advice from SA that we should try and confirm with the owner of the Bletchington site that it will be available as he has heard that it may be due for a form of re-development.

It was suggested that PR should contact Geoff Booker, Oxonian for more information.

- A O B:** Kit - We are still awaiting Impsport confirmation for the delivery of the outstanding Jersey orders. Individuals will be notified by JW when items are to hand. As the Impsport situation is still unsatisfactory, we do need to explore alternative suppliers. SA will try to find out from his DPCC contacts the name of their supplier, who seems to be able to produce orders singly and quickly. CC will also contact Matthew Hart, who designed the DPCC jersey to find out if he knows the source. If anyone else has knowledge of potential suppliers - please let JW know. DM knows of clubs who place orders for say 6 items with Impsport and then when they are advised of production starting alter the order to the sizes required at that time - It is a possibility, but would need close control and the use of a good crystal ball!
- For those of you applying for a competition licence, the description of our jersey is just: Red & Yellow.

**The Italian Job, 2006 Tour** - For those of you who expressed an interest, now is the time of reckoning as the deposit to cover flights and rooms is nigh. Cheques and measurements for bike hire should have been sent to PR by 12th March.

**Members** - The new listing of all members is circulated with these notes, along with your Membership Card for 2006. Welcome to Peter Larbaestier, who by now will have done his first event in Mid-Oxon colours - best of luck, and also welcome to Anton Blackie, who many of you may know from Bike-Zone.

**Runs List** - It has been suggested that we publish a list to cover the Summer Sundays - May to September. This would be more of an advisory rather than a hard and fast listing so that members can join up, or not as they wish. If you would like to suggest a venue or two before the list is prepared, please e-mail CC. The final list will only appear on the web-site

**Web-site** - If you have any items for the site (profile updates, items for sale, readers bike pics etc), please send to: [david@midoxon.co.uk](mailto:david@midoxon.co.uk)  
DM has also created a link that will send an e-mail to all registered members, so if you have anything to circulate, feel free to use this method.

## Club Bottles

Stock is still available of this unique and desirable branded item.

A bargain at £3.00 each!!!

Contact JW for your order.

## NEXT MEETING

*As the Time-trial series will be starting on 29 March, there will be no more Meetings at The Bricklayers until the Autumn.*

*However, if you have an issue you would like to raise, either e-mail the relevant person or speak to them at one of the time-trials, where it can be discussed.*
