It was agreed in view of the number of members who wish to take out BC Licences for

2006 that the Club re-affiliate. PR to send application and cheque to British Cycling.

Reading Track League continues. During the winter, training evenings using road bikes are run on Thursdays, with a cost of £3.00 per evening. Good build-up for all those contemplating racing on the road in 06.

Cyclo Cross - *Steve Avery*

18 September, Bletchington. Successful event with good feedback from riders and support.

Thanks to all club members who helped on Saturday and Sunday. SA thanked for his work and requested to make a list of all activities required for future events. SA has stepped down from organising in 06, but will be available to help and advise. Mick and Marion Fountain have been sent a cheque for £20 to cover their expenses for the day.

Club has agreed to promote event in September 2006. Need to apply for affiliation (PR) to Wessex League and to speak to both John Vallis, Oxonian and Ian McDonald, Wessex League for guidelines.

A O B: **Club Runs** - Will have started by the time you receive these notes. If anyone has ideas for new/extra venues, please let us know.

Kit - We are experiencing extended delivery problems with Impsport (as always) and thank those of you waiting for new kit for your patience. A new feature listing all kit items will be on the web-site soon!

2006 Tour - It has been proposed that we run a trip during late August/early September, similar to that of 2004, but this time to Italy, with amongst others, the Stelvio climb being the target for the trip. Details will be announced at the next Club meeting. No takers for entry to Etape 2006.
